

## What is an RV?

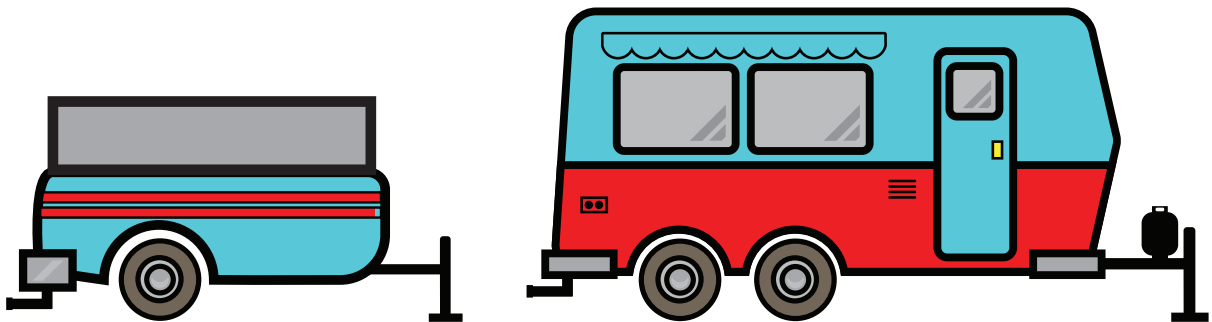

VEHICLES CONSIDERED RV'S FOR REAR OF CAR YAKIMA PRODUCTS

A motorised vehicle with a hitch receiver is considered an RV if the horizontal distance from the rear axle to the hitch pin is 183 cm ( 72") or greater.

### Trailers

Any trailer with a factory fitted or aftermarket approved hitch receiver is considered an RV.

### RV Approved Bike Racks:

LongHaul  
8002476

OnRamp  
8002706

StageTwo  
8002758

OnRamp LX 2"  
8002756

#### Attention:

Receiver hitches vary in capacity. Please ensure you check your vehicles owner's manual for tongue weight capacity prior to installing and using a hitch mounted carrier.
